## Summary

Another adventure with the Autistic Magical Girls. A green portal has brought the four Alice to a world plagued by the undead and an evil witch. Prince Ezra, of the Paraiso Kingdom, has asked them to defeat the evil Ruka to save the world.

I've added "rape/non-con" to the warnings as a precaution, but there's no assault scene in this story, just a mention.

- A translation of [Magical Girls Autistes: Zombies et la petite Ruka](#) by [MiaQc](#)

Hello. My name is Alice Lorange. You may already know this, but my friends and I share our bodies with the mysterious Traces. We've also been magical girls since our adventure in Adelan Alarie's house.

Although we live in different countries, we can find each other by taking portals. These mysterious portals take us either to the same place or to another world for a new adventure.

A green portal brought us to a world plagued by the undead and an evil witch. Prince Ezra, of the Paraiso Kingdom, asked us to defeat the evil Ruka to save the world. We couldn't refuse. After all, we're magical girls.

< *Transformation...* > Says my Trace, Heather, telepathically.

"Let's go!" I said to the three Alice. "O Breeze, Wind Power..."

"Shimmering Water, Water Power..." says Alice Blondinka.

"Roaring Earth, Earth Power..." says Alice Brown.

"Fiery Flames, Fire Power..." says Alice Kurosawa.

"ACTIVATION!" We say together.

I find myself naked and surrounded by light. This doesn't stop me from feeling exposed. Yet no one can see my nakedness.

I turn around and touch my chest, putting my arms in a cross. A white top with a green collar and short veil sleeves appears. I clap my hands. Short fingerless white gloves with a green line materialize. I touch my thigh. A green skirt with a little white appears. I touch my feet, one at a time, lifting them up and they find themselves wearing long white and green boots. I touch my neck, which reveals a small choker with a small green stone. I run my hands through my red hair and it changes color. It's now brown with red streaks. Two small barrettes appear in my hair. Although my ears aren't pierced, small earrings materialize. A white headband with a small green ribbon forms on my head. Finally, I touch up my chest and a big green ribbon with a silver stone is born on it.

"A gentle breeze chasing evil, I am Magical Aella!" I say, completing my transformation.

Blondinka also finds herself naked and surrounded by light. She spins

around and then touches her chest, putting her arms in a cross. A white top with a blue collar and short veil sleeves appear. She claps her hands. Short white fingerless gloves with a blue line materialize. Blondinka touches her thigh. A blue skirt with a little white appears. She touches her feet, one at a time, as she lifts them up and they find themselves wearing long white and blue boots. She touches her neck, which reveals a small choker with a small blue stone. Blondinka runs her hands through her blonde hair and it changes color. It is now black with blonde streaks. Two small barrettes appear in her hair and small earrings materialize. A white headband with a small blue ribbon forms on her head. Finally, Blondinka touches her chest and a big blue ribbon with a silver stone is formed on it.

"The icy water that drowned the forces of evil, I am Magical Dayla!" Said Dayla, completing her transformation.

Brown also finds herself naked and surrounded by light. She smiles before spinning around. Brown touches her chest, putting her arms in a cross. A white top with a yellow collar and short veil sleeves appear. She claps her hands. Short white fingerless gloves with a yellow line materialize. Brown touches her thigh. A yellow skirt with a little white appears. She touches her feet, one at a time, as she lifts them up and they find themselves wearing long white and yellow boots. She touches her neck, which reveals a small choker with a small yellow stone. Brown runs her hands through her brown hair and it changes color. It is now red with brown streaks. Two small barrettes appear in her hair and small earrings materialize. A white headband with a small yellow ribbon forms on her head. Finally, Brown touches her chest and a big yellow ribbon with a silver stone is formed on it.

"The earth that buried the shadows, I am Magical Petra!" Petra says, completing her transformation.

Kurosawa also finds herself naked and surrounded by light. Kurosawa spins around and then touches her chest, putting her arms in a cross. A white top with a red collar and short veil sleeves appear. She claps her hands. Short white fingerless gloves with a red line materialize. Kurosawa touches her thigh. A red skirt with a little white appears. She touches her feet, one at a time, as she lifts them up and they find themselves wearing long white and red boots. She touches her neck, which reveals a small choker with a small red stone. Kurosawa runs her hands through her black hair and it changes color. It is now blonde with black streaks. Two small barrettes appear in her hair and small earrings materialize. A white headband with a small red ribbon forms on her head. Finally, Kurosawa touches her chest and a big red

ribbon with a silver stone is formed on it.

"The flames that will consume the darkness, I am Magical Calida!" Calida said, completing her transformation.

"And we are... AUTISTIC MAGICAL GIRLS!" We say at the same time.

With that out of the way, we head off in search of Ruka, while battling zombies.

"They're everywhere!" Petra says, after crushing two of them by dropping a huge boulder from the sky. A little blood comes flying back and stains her magical girl outfit.

"I know!" Dayla retorted, while dismembering zombies with a magic sword. A sword made of some kind of blue water crystal. Blood spurts onto her magical girl uniform. "Where could that damn witch be?"

"I wish I knew." Says Calida, also having blood on her magical girl outfit. She hurls a rain of fireballs at zombies. "The sooner we defeat her, the sooner we'll be back home!"

"RUKA, SHOW YOURSELF!" I shouted, while decapitating three zombies with a circular saw blade made of sharp air. My magical girl uniform is also stained with the undead's blood.

"Are you looking for me?" Suddenly says a child's voice.

In a flash, a little girl with black skin, long green hair in two braids, small violet eyes, pointed ears, wearing a black dress and a witch's hat, appears.

"Is that you, Ruka?" Dayla asks, surprised to have to fight a kid.

"Yes, it's me. Did Prince Ezra send you? Dad's a moron!"

"What? Dad?!" I said, surprised by this revelation.

"Yes. Mom was in love with him. As she was a witch, he raped her. I was born of that rape. Since then, he's been looking for her to execute her with me, his own daughter!"

"That's awful!" Petra says.

"You must have suffered a lot." Calida says.

"No. I don't care about Dad! Mom says the throne should be ours. With

my zombies and undead, Paraiso will go down, the prince will die, and Mom and I will rule forever!"

"But..." Dayla retorted. "Doing that will bring you down to your father's level of nastiness!"

"She's right." I said. "Ruka, we..."

"ENOUGH!" Screams the little witch. "If you want to stop me, you'll have to kill me!"

I remain stunned. Yes, my friends and I have killed evil people before, but never children. We don't want to cross that line. Thus our Traces did the only logical thing to do. They took over our bodies. I become Magical Heather. Magical Dayla becomes Magical Lisa. Magical Petra becomes Magical Jennifer. Magical Calida becomes Magical Aya. Our eyes are now bright. Our uniforms have changed color to white and purple. Our hair has changed color too, to purple with colored highlights.

These Magical Girls Traces destroy the undead and Ruka. The little witch screams as her body bursts into flames and turns to ash.

The Magical Girls Traces are about to give us back control over our bodies when a woman's voice is heard from the sky.

"WRETCHED CREATURES!" She said, enraged. "YOU KILLED MY DAUGHTER!"

It's Ruka's mom!

"We had no choice." Magical Heather said. "But since this world is not ours, you can take your revenge by killing Prince Ezra and conquering the Paraiso Kingdom."

"IMBECILES!" Shouts the adult witch. "I, RITA, WILL..."

"It doesn't concern us." Magical Lisa says.

Suddenly, a green portal appears.

"Goodbye." Magical Jennifer says.

"Goodbye Rita." Say Magical Aya. "May your vengeance be accomplished."

The Magical Girls Traces jump into the portal. I find myself in my

room, in my parents' house, and detransformed. Heather is back in my mind and subconscious. Another adventure ends for the three Alice and me, but I'm not happy.

I see Ruka screaming again, as her body burns, and I begin to weep silently. I wonder if Alice Blondinka, Alice Brown and Alice Kurosawa are also affected by her death. We'll talk about that when we meet again.
